Dear GAFSP Coordination Unit members,

Reference is made to the recent submission to the attention of the Coordination Unit of a project proposal from the Central African Republic for possible GAFSP funding (ref: Message from Mr Prosper Rodrigues YAKENDE, GAFSP-CAR Focal Point addressed to the GAFSP CU, dated 09 September 2019, regarding the 2019 GAFSP Call for Proposals).

In your message to the attention of Mr YAKENDE, dated 11 September 2019, you've mentioned the preference of CAR to have both African Development Bank and FAO to serve as Supervising Entities but that the package sent to GAFSP CU do not include a letter of readiness from FAO affirming the agreement of the Organization to serve as Supervising Entity for technical assistance.

In this regard, and to be considered as part of the submission documents from the country in the event that CAR is successful in its application to GAFSP, on behalf of FAO, I am pleased to confirm that FAO is ready to support the PARSANKO project as a Supervising Entity for technical assistance.

Thank you in advance and best regards,

*Perpetua KATERA KALALA*
